SUB DATA DASHBOARDS

Unlock hidden insights with data already at your fingertips

Explore Easy-to-Use Charts & Graphs

- Substitute System Overview
- Substitute Pool Details
- Individual School Profiles
- Progress Monitor by Semester

Disaggregate Across Data Points

- Absence Reason
- School Types and Sites
- Lead time and Job Length
- Month and Day of Week

Getting Started

All it takes is a simple export from your absence management system (eSchools SmartFind Express or Frontline). We'll handle data cleaning and standardization to produce flawless, accurate results that actually measure what matters.

Getting To Results

Good data fuels better decision making. And we're here to help. We refresh the data tool three times a year, along with data interpretation and coaching calls to help you build a plan and track progress.
